## BUNK FRAMES

## DESKS

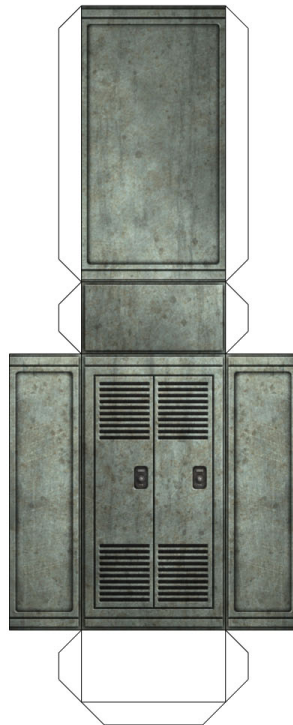

## A 5x5 grid of 25 decorative panels. Each panel features a textured, leather-like surface. The panels are arranged in a grid where each row and column has a consistent color scheme. The colors used are brown, blue, green, gold, and grey. Each panel has a horizontal band of a different color and a vertical band of a different color, creating a grid pattern. The texture is consistent across all panels, giving them a cohesive look.
